

Contracting & Procurement

MORE INSIGHTS • BETTER INTELLIGENCE • INFORMED DECISION-MAKING

Streamline & consolidate your External Information Services portfolio.

Build a cost-effective & efficient single-vendor, single-license relationship.

Fast, fresh
and focused™

Simplify contracting logistics and reduce costs, achieving improved economy of scale in the media monitoring, analysis and publishing arena. Create more flexibility with individual department budgets using this highly efficient model. While consolidating procurement, content can be tailored to meet many role-based needs.

- ✓ Ensure predictable pricing based on one master contract that spells out all the details
- ✓ Save money by eliminating contract overlap and inefficiencies
- ✓ Maintain flexibility with departmental information needs
- ✓ Simplify support and problem-solving requirements through one comprehensive support team
- ✓ Establish confidence in the quality and integrity of information across all departments

Word cloud containing terms: *streamline, media monitoring, tailored content, reduce costs, consolidate contracts, optimize efficiency, procurement, integrity, informed, consistent communication, quality, rationalize portfolio, flexibility, cost-saving license, comprehensive transparency, predictable pricing, information meet budgets*
